¹Beginning in 1969, Artillery was divided into Field Artillery (FA) and Air Defense Artillery (AD).

²Until 1977 all individuals entering branches to the right of this column were lumped together under Technical and Administrative Services (T&A Svc). Beginning in 1978, they were separated.

³Starting in 1979, up to 2% of the class could go directly to Medical School upon Graduation.

⁴Beginning in 1980, Aviation became an accession specialty.
