

WPAOG Permanent Endowment Agreement

Association of Graduates of the United States Military Academy, dba West Point Association of Graduates (WPAOG)

The Class of 1978 Endowment for the Pistol and Combat Weapons Teams

The Class of 1978 (“the donor”) has pledged to WPAOG the sum of **\$666,666** to establish this endowment.

Purpose

The purpose of the Class of 1978 Endowment for the Pistol and Combat Weapons Teams endowment is to support the operations and activities of the Pistol and Combat Weapons Teams. This endowment may cover, but is not limited to, the costs of equipment, uniforms, practice and competition expenses, team-specific facility enhancements, staffing, team travel, technological infrastructure, as well as the administrative expenses associated with these teams.

This purpose is consistent with the policies of the WPAOG and its status as a tax-exempt organization.

Investment

After one full fiscal year of investment, the WPAOG will make an annual distribution for the purposes described above in accordance with the WPAOG’s then current spending rule.

We agree that the investment policies of the WPAOG shall govern this endowment and that the WPAOG may commingle the fund’s assets with other assets for the purpose of investing them. However, separate accounting shall be maintained so that the principal and the income shall be clearly identified at all times, and any distributions of this endowment shall be in accordance with the procedures described in the preceding paragraph.

Guidelines for the investment, distribution (spending rule), and any reasonable fees associated with administering endowment funds are established by the WPAOG’s Investment Committee and approved by its Board of Directors.

Distributions

The WPAOG will provide a distribution from the endowment in accordance with its spending rule unless the United States Military Academy requests the WPAOG to reinvest all or a portion of the available distribution. Unless otherwise restricted by the gift instrument, the WPAOG may expend so much of an endowment fund as it deems prudent after considering the factors set forth in the New York not-for-profit corporation law.

Future Changed Circumstances

The donor agrees that should it ever become impractical to use this gift for the purpose specified in this agreement, then after consultation with the donor and at the recommendation of the Academy, the President/CEO of the WPAOG will apply the fund’s distribution to support another purpose or other purposes.

If, after the class has closed its gift fund, the Academy determines that it is impossible to use this gift for the purpose specified in this agreement, then the President/CEO of the WPAOG will follow the recommendation of the Academy in directing distributions to another purpose or other purposes that most nearly accomplish the donor’s wishes.

Reporting

The WPAOG shall keep a separate accounting of the principal and income of the endowment fund and shall report such value annually to the donor. The report also will include a description of what the endowment has made possible in a given year.

Recognition

The donor will be recognized for the gift by naming of the endowment and also will be recognized in the Annual Report of Gifts in the year the funds are received.

In addition, the donor will be recognized by the naming of two Rifle and Air Ranges in the Tronsrue Marksmanship Center. (The naming of physical spaces is subject to approval by the Superintendent and the Museum and Historical Memorialization Committee.)

This agreement contains the entire understanding of the parties with respect to the endowment, superseding all other agreements and understandings, is subject to the laws of the State of New York.
